PIZZA

the flour

The flour we use in our dough is the result of a blend developed with Petra[®] and Molino Vigevano[®]: Roman crunchiness and the fragrance of Italian grains.

the dough

The salt added to the dough for our pizzas comes from the salt pans of Trapani and Paceco, a Slow Food[®] Presidium.

the tomato

Slow Food[®]

Casa Marrazzo[®] Organic Peeled Tomatoes represent a true excellence of the Italian tradition.
